

MENTOR PROGRAM UNIT 207
2018 APPLICATION
Submission deadline: December 11, 2017

The Mentor Program is designed for those with 0-70 master points, who have a desire to improve their bridge game and want to supplement classes and individual study. The program has been successful in past years and we are looking forward to a successful 2018 program.

The goal of the program is to facilitate the transition from social bridge to duplicate bridge. Being accepted into the program is a one-time opportunity and those who are accepted as mentees will be asked to be mentors in the future. The Mentor is asked to serve as a resource of information and as a bridge buddy to help you become more comfortable at the duplicate bridge table.

The Mentor program is designed to build skills over a 4 month time period (starting in January after the Mentor/Mentee luncheon and continuing through May). Unit 207 will pay the Mentor's entry fees twice a month for the 4 month period. Mentees pay their own entry fees. Mentors and Mentees are encouraged to play twice a month at any club in Unit 207. There is no transferring of days from one month to another, i.e. if you can only play one time in March, you can't add the missed day to another month.

We hope you find new bridge friendships and have lots of fun during the program.

Please put the completed application in the box marked MENTOR/MENTEE PROGRAM at the BCA or, scan and email to melsimmen@gmail.com or, if you are taking a class give to your teacher. Notification of acceptance will be made by December 31, 2017.
